

St George Preschool CIO – Term 5 Newsletter

Warmer weather

As we are now into May, we are hoping for some warmer weather. Please can you put suncream on your child prior to them arriving. Unfortunately, we are unable to top-up suncream during the day.

Hot lunches

There has been a slight increase in the price of hot lunches. We have been subsidising the increase since January.

From term 6 the cost of a hot lunch (including a pudding) will be **£2.80**.

Invoices are payable in advance are added to a memo on tapestry.

Family planting day – Saturday 3rd June

10.00 until 12.00

In summer 2022 we had a lot of work done to both gardens, including 2 raised beds. We would like to now get them planted to encourage the insects and provide us with sensory gardens for the children. We are lucky to have a voucher for B&Q so will be going to buy some flowers, grasses, bark etc during the half term.

In term 6 we are having a delivery of caterpillars which the children will watch transform into beautiful butterflies. We will then release them into our gardens.

If you would like to join us on Saturday 3rd June that would be great. If you could bring along tools that would be appreciated.

Donation's

We seem to have a sock monster at preschool who appears to be eating all our socks! We would appreciate donations of socks to replenish our stock.

If you would like to recycle your child's woodwork, there will be a box by the library at the front of preschool. If you have any corks / bottle tops that you could donate that would be great.

Flowers (that have gone past their best) or from you garden. We now have a potion station in the oaks garden and are looking to add flowers.

Important Dates

Term 5 – Monday 17th Apr – Friday 26th May
(closed for bank holiday 1st & 8th May)

Term 6 – Monday 5th June – Fri 21st July

(inset day Mon 5th June) (preschool closed on Thursday 20th & Friday 21st July for new children to visit).
