St George Preschool CIO

March 2026 Newsletter

Sunny Weather

We are hopeful that when we return for term 5 we will have some sunny weather.

Please can you ensure that you put 6 hours + suncream on prior to dropping them off.

Farewell

This term we wish a fond farewell to Ana.

Ana will be returning to Spain where she will continue her career as a teacher.

She will be missed by all staff and children.

Reception school offer

On the 16th of April children in Oaks room will receive their reception place offer.

You will need to accept / decline your offer by 30th April

Unwell children

This term we have had several children sent into preschool having taken Calpol / Nurofen before they arrive.

Calpol / Nurofen masks the temperature and once it has worn off your child can become unwell very fast.

We do not keep this type of medication onsite and the time it takes you to arrive could lead to your child's temperature becoming dangerously high and leading to a febrile convulsion.

If your child is unwell, please keep them at home and contact us to advise us of their illness.

September 2026

For those of you that are returning in September if you wish to make any amendments to your current hours, please email Sharon a.s.a.p.

Dates for your diary…

The last day for children this term is

Wednesday 1st April

We reopen for term 5 on

Monday 20th April

Independence

During the day we try to promote as much independence as possible. This includes dressing, undressing, pouring drinks, serving lunch etc. Please can you help by providing them with: -

Clothes that they can manage themselves

Shoes that have Velcro rather than laces

.Redgrave theatre

Redgrave theatre has been in touch asking us to advertise

'a squash and a squeeze' by Julia Donaldson

They have spaces available on Monday 30th March @ 4.30 pm
